**Queen Margaret's
School for Girls**

Escrick Park, York

Queen Margaret's School for Girls

Established in 1901, QM is an independent boarding and day school for girls aged 11-18. You will find us in glorious parkland about six miles south of York. But we are much more than our surroundings, we are more than a school:

We're a home from home,
A family of learning and belonging,
In a truly inspirational setting.

We are somewhere each and every girl can thrive,
Where they'll be happy and healthy,
Grow their knowledge, skills and confidence,
And make friends for life.

Somewhere that's the bedrock for success,
Opens up opportunities and possibilities,
Inspires them to forge their own future,
And gets them ready for life, whatever their calling.

We nurture girls to fulfil their ambitions,
To realise their potential,
To become the best women they can be,
And give them an amazing start in life.

Girls do so much better in single-sex education and here we see our pupils engaging enthusiastically in a range of activities - academic, sport, extracurricular and social. No airs and graces, no frills or make-up, just girls getting stuck in, and having fun while they do it. They achieve academically (outstandingly so), they come from a variety of backgrounds and, with an increasing emphasis on the level of support available, we are proud to continue making a QM education possible for an increasingly diverse range of girls. Our girls have homes in York, Ripon, Thirsk, Newcastle upon Tyne, Inverness, Hong Kong, Madrid, Frankfurt and Bangkok. Many girls board, not because they have to, but because they want to. The girls are the focus of life at QM and are at the heart of everything we do. It's this focus and an individualistic approach that allows our girls to carve their own path, and flourish as formidable, independent women.

Working at QM

We employ around 170 staff, with over 90 teachers, and the majority of staff live within 30-45 minutes of the school including York, Hull, Leeds and Harrogate. Staff involved in boarding live on site. We operate our own salary scale and all staff contribute to a pension scheme. During term time (in normal times) meals are provided when you are on duty. Working in a boarding school is an experience like no other. The sense of community is very strong and the opportunity to get to know both girls and staff is more apparent than would be the case in a day school. There are lessons on a Saturday morning and our term dates are shorter than schools in the state sector, although we adhere wherever possible to the half term dates of the local authorities in order to support our staff with children of school age.

Most girls stay at school after their lessons finish each day, either because they are boarders or because they are involved in activities. There are a variety of enrichment activities and clubs on offer including horse riding, tennis coaching plus clubs as diverse as debating, fashion, philosophy and swimming. We have extensive sports facilities and all girls play hockey, lacrosse, netball and rounders as well as an array of other sports. Day girls are able to stay until 19:30.
