

QM Riding School

The QM Riding School is ideally located on our campus and is run by Proprietor, Sarah Robinson. Sarah brings with her a wealth of equestrian experience: she has ridden for over 25 years and, having achieved her BHS Instructor / UK Coaching Certificate Level 3, she went on to gain her BSc (Hons) in Equine Rehabilitation and Therapy at Bishop Burton College, ensuring she is expertly qualified to teach the QM girls.

The Riding School offers lessons to girls of all standards. Lessons cover all aspects of riding, groundwork and horse husbandry. Groups are small and beginners or nervous riders can be taught individually until they are confident enough to join a group. Hacking takes place on the beautiful adjacent Escrick Park Estate. Lessons can be taken individually (30 minutes), in pairs (40 minutes) or in groups (50 minutes) at a cost of £35 per session and will be scheduled to fit with academic timetables at the start of term. Non-ridden Horse Husbandry lessons are charged at £30 per hour.

The Riding School is able to take a number of horses and ponies as full or working liveries during term time. Full livery is provided at a cost of £150 per week which includes hay, bedding, and a basic feed (any supplements, for example are extra), working livery is £80 per week. Horses can be turned out every day. Girls are free to ride their own horses, providing their school work and other commitments are up to date and that a member of the Riding School staff is present on the yard. The ménage can be used for girls to ride providing there is not a lesson taking place (a schedule of these lessons will be available to show when the ménage is booked). Hacking is allowed but girls must be accompanied, either by another rider or a friend on foot, and only with parental permission. Girls must wear a hat, a body protector, a high visibility vest and carry a mobile phone when hacking. Girls are also advised to have the What3words app downloaded to their mobile device.

If girls are considering taking riding lessons, they will need a riding hat to standard PAS 015, a body protector, jodhpurs or jogging bottoms (no shorts or jeans), a showerproof jacket, a pair of long or short riding boots, a pair of riding gloves and a whip.

**For further information
please contact Sarah Robinson,
Proprietor of the Riding School:
