Celebrating
125 Years

Queen Margaret's
School for Girls

Escrick Park, York

More than a school

We nurture girls to fulfil their ambitions and realise their potential so they can become the best women they can be. Investing in a QM education for your daughter will give her an amazing start in life.

Our girls achieve academically (outstandingly so), they engage enthusiastically in a range of enrichment opportunities, and they thrive in a supportive and inspirational setting.

Jubilee Bursary Programme

Queen Margaret's is on the cusp of a remarkable milestone; 125 Years as a leading all-girls school. To mark the occasion, we have committed to enabling even more girls to benefit from a QM education and will be awarding a series of anniversary bursaries which carry a remission of up to 25% off fees for girls joining Years I - LVI during our anniversary period. Please speak to our Admissions Team for details; admissions@queenmargarets.com

What's Included?

Included in our core fees are breakfast, lunch and supper (plus breaktime refreshments) for all girls - Day Girls and Flexi Boarders may arrive at school from 07:30 and depart up to 19:30 on full school days to enable them to fully participate in clubs and activities, and to make busy family life that little bit easier for parents. For non-UK/EEA students at QM, we have made our full boarding fee as all encompassing as possible; the non-UK/EEA full boarding fee includes EAL (English as an Additional Language) support and routine weekend activities. QM offers a comprehensive [co-curricular enrichment programme](#), and many of these activities are also included within the core fees. Charges apply for some enrichment activities and these costs are detailed later in this booklet.

There are some other costs, such as examination entry fees, shuttle bus services and school uniform, which should also be taken into consideration - we do have a well stocked Pre-Loved Uniform Shop onsite. Every term there are many activities and school trips (both as part of the curriculum and extracurricular) which our girls have the opportunity to be involved in. The costs for any such activities are usually added to the termly school bill - your specific consent will be sought for activities with a cost of £30 or more.

Weekly Boarding

- Weekly Boarders can stay in school as many nights as required from Sunday night to Friday night (inclusive).
- All Saturday nights stayed will be charged at the full additional overnight stay rate and are not included in the core fee. However, Weekly Boarders who stay on 3 or more Saturday nights in any term will, instead, be charged the difference between the Weekly and Full Boarding fees.
- Weekly Boarders have an allocated bed and dorm.

Day and Flexible Boarding

- A Flexi Boarder can stay in school as and when needed and the number of nights is not restricted by those included in the fee. Nights stayed need not be on a fixed night or number of nights each week. Similarly, a Day girl can stay as and when needed subject to there being available accommodation.
- The Flexible Boarding fees include an average of one, two or three overnight stays per term week; these nights can be aggregated over a term to enable a girl to stay as and when needed.
- All Flexible Boarding fee options include two additional nights each term for a girl to stay in school at the start of term. Day girls are also welcome to stay, subject to there being available accommodation, and will be charged at the additional overnight stay rate.
- All Saturday nights will be charged at the full additional overnight stay rate and are not included in the core fee.
- Overnight stays not utilised in a term cannot be carried forward to another term and will not be refunded.
- Terms can be of different lengths and hence the number of nights included in each fee will vary term by term.
- All additional nights in excess of those included in the fee are charged at the full additional overnight stay rate.
- Flexi Boarders have an allocated bed and dorm. This may not be the case for Day girls.

Enrichment Activities

Our Fee Payment Options

Option 1: Termly Invoice

School fees are invoiced three times per year, prior to the start of each term (usually in July, December and March). School fees are payable in advance, chargeable extras such as enrichment activities are payable in arrears.

Option 2: Enhanced Fees in Advance Scheme (EFAS)

EFAS allows parents to pay a lump sum up front for all or part of their daughter's education. Advance payments attract a discount rate which is applied to all fees paid into the scheme and which ensures parents have long-term peace of mind that they have secured the best fee for their daughter whilst mitigating the future risk of above-average fee rises. If you would like further information please contact the Bursar (bursar@queenmargarets.com).

Financial Assistance

Our girls come from a variety of backgrounds and, with an increasing emphasis on the support available we are proud that we are continuing to make a QM education possible for an increasingly diverse range of girls.

Jubilee Bursary Programme <p>To mark our 125th Anniversary we will be awarding a series of anniversary bursaries which carry a remission of up to 25% off fees for girls joining Years I - LVI. Ask our Admissions Team for details (admissions@queenmargarets.com).</p>
Sibling Discount <p>We offer a discount of 5% off the core fees of your eldest daughter when sisters are attending QM together; up to a maximum of 15% discount per family when three or more sisters are in school.</p>

Scholarships <p>Girls can apply to earn a Scholarship at QM - we offer Academic, Art, Choral, Dance, Drama, Music and Sport Scholarships. Our Scholars benefit from specialist mentoring to set targets, monitor progress and evaluate performance, and they receive specific tuition in their chosen discipline, given by highly dedicated and qualified staff. Our Scholarships may carry a discretionary fee remission of up to 10%.</p>
Means-Tested Bursaries <p>Our aim is to encourage applications from girls with as diverse a range of backgrounds as possible. We welcome bursary applications from any family based in the UK who might, under ordinary circumstances, not consider a QM education for their daughter for financial reasons. Bursaries can take the form of either assisted (partial remission) or transformational (significant or full remission) bursaries.</p> <p>The value of a bursary is dependent upon factors such as household income, savings, assets, investments and personal financial situation. In common with many other schools, we use the services of Bursary Administration Ltd to assess applications on our behalf. A girl must be registered with QM to apply for a bursary - further information about means-tested bursaries is available from the Admissions Team (admissions@queenmargarets.com). All applications are treated in the strictest of confidence.</p>
