

Equal Opportunities Policy for Students

Promoting equal opportunities is fundamental to the aims and ethos of Queen Margaret's School.

The School recognises the benefits of having a diverse School Community, with individuals who value one another, and the different contributions everyone can make. Students are taught to value and respect others. The School is committed to being an equal opportunities school and is committed to equal treatment for all students, regardless of race, disability, religion or belief, sexual orientation, gender reassignment, marital status, pregnancy or maternity ("protected characteristics").

Aims

The aims of this policy and the School's ethos as a whole is to:

- Communicate the School's commitment to the promotion of equal opportunities for its students
- Eliminate unlawful discrimination on grounds of any of the protected characteristics
- Promote equal treatment for all members of the School community
- Create and maintain an open and supportive environment, free from discrimination
- Foster mutual tolerance and positive attitudes so that everyone can feel valued within the School
- Comply with the School's equality duties contained in the Equality Act 2010
- Remove or help to overcome barriers for students where they already exist
- Enforce that all discrimination on the grounds of a protected characteristic is unacceptable and will not be tolerated

All members of the School community are expected to comply with this policy and treat others with dignity at all times.

All parents are expected to support the aims of this policy and the School's ethos of tolerance and respect.

Staff at the School, particularly those working at a management level, have a specific responsibility to set an appropriate standard of behaviour, to lead by example and to promote the aims and objectives of the School with regard to equal opportunities.

Admissions

The School treats every application for admission in a fair, open-minded and equal way in accordance with this policy and the School's Admissions Policy. The School accepts applications from, and admits, all prospective students irrespective of their disability, gender reassignment, pregnancy and maternity, race, religion or belief (or lack of religion or belief)] or special educational needs ("SEN").

Please see the Recruitment of Staff and Supply Staff policy in relation to our approach to staff recruitment and selection.

Parents must inform the School when submitting the Registration Form of any special circumstances relating to their child which may affect their child's performance in the admissions process and/or ability to fully participate in the education provided by the School so that we can consider what reasonable adjustments may be necessary to ensure that the child is not placed at a substantial disadvantage compared to other children. The School will not offer a place to a child with disabilities if, after reasonable adjustments have been considered, the School cannot adequately cater for or meet their needs.

Bursaries are means tested awards offered to those who meet the School's admission criteria but may otherwise be unable to attend the School due to financial hardship.

Educational services

The School affords all students access to educational provision including all benefits, services, and facilities, irrespective of any protected characteristic (subject to our reasonable adjustments duty and considerations of safety and welfare). The School will not discriminate against a student on the grounds of any protected characteristic by excluding them or subjecting them to any other detriment.

The School will:

- Treat all members of the School community with respect and dignity and seek to provide a positive working and learning environment free from discrimination
- Endeavour to meet the needs of all children and ensure that there is no unlawful discrimination on the grounds of any protected characteristics
- Ensure that students with English as an additional language and students with an Education Health Care Plan receive necessary educational and welfare support
- Monitor the admission and progress of students from different backgrounds
- Challenge inappropriate and unacceptable discriminatory behaviour by students and staff
- Encourage children to work and play freely and have respect for all other students irrespective of any protected characteristic
- Offer all students access to all areas of the curriculum and a full range of extra-curricular activities
- Work with parents and external agencies where appropriate to combat and prevent discrimination in School
- Ensure that it reviews, monitors, and evaluates the effectiveness of inclusive policies and practices
- Use the curriculum, assemblies and PSHE to:
 - Promote tolerance of and respect for each other, paying particular regard to the protected characteristics set out in the Equality Act 2010.
 - Promote positive images and role models to avoid prejudice and raise awareness of related issues.
 - Encourage children to question and challenge assumptions and stereotypes in order to better understand discriminatory behaviours and bias.

The School recognises that discrimination may be direct, indirect, or arising from disability whether or not it was intentional. Harassment and bullying in all its forms (including cyberbullying) are unacceptable and will be dealt with in accordance with the School's Behaviour and Anti-Bullying policies.

Religious belief

Although the School's religious ethos is based on Christian values and tradition, the School is inclusive and welcomes and respects the rights and freedoms of individuals from other religions and

faiths (or with no religion or faith) subject to considerations of safety and welfare and the rights and freedoms of other members of the School community.

The governing body, through the senior leadership team, actively promotes the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

All students are required to wear a uniform until Year V, Sixth form are allowed to wear their own clothes within the bounds of a dress code which is agreed with them. The Head will consider requests from parents and students for variations to the uniform for reasons related to disability, gender reassignment and/or on religious grounds provided they are consistent with the School's policy on health and safety and that such request/s are reasonable in all the circumstances including in light of the School's obligations under the Equality Act 2010.

Where there is uncertainty as to whether an item may be worn to School, parents are encouraged to discuss the matter with the Head, in advance.

Reasonable adjustments for students with disability

The School has an ongoing duty to make reasonable adjustments for students with a disability to ensure they do not suffer a substantial disadvantage in comparison with other students, including during the admissions process.

Where the School is required to consider its reasonable adjustments duty, it will consult with parents about what reasonable adjustments, if any, the School is able to make to avoid their child being put at a substantial disadvantage in comparison to other students. The School will carefully consider any proposals for auxiliary aids and services in light of a student's disability and the resources available to the School. Further information on the School's reasonable adjustments duty can be found in the School's SEND policy, which is available on the School's website or on request.

The School has an Accessibility Plan in place which can be found on the School website and a hard copy can be made available upon request. This sets out the School's plan to increase the extent to which disabled students can participate in the School's curriculum; improve the physical environment of the School for the purpose of increasing the extent to which disabled students are able to take advantage of education and benefits, facilities or services provided or offered by the School; and improve the delivery of information to disabled students which is readily accessible to students who are not disabled.

Monitoring and review

The Head regularly monitors and reviews the effectiveness of this policy and reports to the governors annually on the policy's effectiveness in practice.

Breaches of this policy

Students who are in breach of this policy may be sanctioned in accordance with the School's Behaviour Policy.

If you believe that a child has received less favourable treatment as a result of a protected characteristic, or if you feel that this policy has been breached in any way to a child's detriment you are encouraged to raise the matter through the School's complaints procedure available from [Our Policies - Inspection Reports and Policies | Queen Margaret's](#) and a hard copy can be made available upon request.
