Dance Inspired by Music from Stage and Screen

The Dance Department is delighted to return to the Chapman Theatre and perform live for you. Over the last two terms the girls have navigated their way through Covid, and this has meant that no two rehearsals have ever had the same dancers. It is therefore a great credit to the girls that they have worked around all the disruptions. In the last week we have joined the jigsaw puzzle of dance sections together 'et voilà' we have a show! We hope you enjoy it.
